

SMART MEETING SOLUTION HUAWEI IDEAHUB SERIES

IdeaHub, an all-in-one collaborative board, integrates necessary functions in four scenes: Interactive Whiteboard, Presentation Projection, Video Conference, and Open Office Apps. It breaks the limitations of traditional conferences and spaces to enable more efficient teamwork.

All-in-One Design Breaks Boundaries

<p>Enhance your video conferencing experience</p> 	<p>Lens cover for privacy Enhanced protection</p> 	<p>4K display with 0 color cast Eye protection with optical antiblue light</p> 	<p>Seamless zero gap bonding Ultra-narrow frame for immersive viewing experience</p> 	<p>Simplified operations Centralized NFC, Type-C, USB 3.0, and power port</p>
